Recommendation Program at ISM

Are you a registered ISM student or graduate and do you have friends or acquaintances to whom you would like to recommend studying at our university? We are delighted and we would like to thank you for that. For every recruited prospect who decides to study for a Bachelor's degree, Master's degree or MBA at ISM, you will be rewarded with €200.

Procedure

1. **Please enter your personal contact details and the contact details of the recruited person in the form below** and email it to

luigi.serafino@ism.de (if you are recommending a full-time course) or
linda.kohlsdorf@ism.de (when recommending a part-time course) or
gabriele.eckner@ism.de (when recommending a dual course).

In order to receive the bonus, the recruited person must not be registered for an entrance test at this time.

Neither must the person have – according to the ISM database – already applied for or participated in an ISM information event (e.g. study fair, information day, information evening, trial hearing or consultation), nor shall the person be registered for the ISM part-time or dual study programs.

The entitlement to admission to the recommendation program expires when the person referred starts studying

2. In order to receive the bonus, the recruited person must enroll for a course of study at ISM and decide to continue the course after passing the first semester.
3. **When point 2 is achieved, please register with** luigi.serafino@ism.de (full-time courses) or linda.kohlsdorf@ism.de (part-time courses) or gabriele.eckner@ism.de (dual course).

The deadline for this second message ends on April 1st in the summer semester and on October 1st in the winter semester of the respective year. **Please note that this second message is mandatory.** Otherwise, your claim expires.

All of the above must be met in order to receive the bonus. The reward of €200 will then be transferred to your account.
